PERSONAL PROJECTS

01/04/2022 - 12/4/2022
LANDING PAGE PROJECT
This is my second project with completely responsive web design on The Odin Project. On this project, I demonstrate my HTML5, CSS3 and JavaScript DOM skills.

12/04/2022 – 27/04/2022
ROCK PAPER SCISSORS
This project I created using HTML and JavaScript DOM

29/04/2022 – 27/05/2022
ETCH A SKETCH PROJECT
This is my paint draw project. I created this project using HTML, CSS and JavaScript DOM.

SKILLS

- HTML5
- CSS3
- JAVASCRIPT
- DOM
- Responsive Web Design

ACTIVITIES

Every day I spend my time coding and pair programming with different partners from different countries, mainly from USA and India. In my free time I code with my Brother creating projects or solving coding challenges
